WHY DO WE NEED THIS YOUTH CENTRE?

S.P.I.D. Theatre wants to know what you would do with the ARC Youth Club, located on **Alexandra Road Estate**.

We want you to come and delve into the walls of the building, to interview people from all ages to understand the history and the importance of this **Grade II* Listed Estate**, and what's best for the ARC Youth Club. Working with a professional filmmaker and industry specialists, we'll be creating a short documentary led by you.

We meet every Saturday from 12–5 pm during term time starting from 22nd September. Participants will receive £3 expenses.

No previous experience necessary.
