

SHAK
Living & Learning Together

We are looking for new trustees

An exciting moment to join us — we've just launched our new 3-year strategic plan

SHAK is a resident-led charity on the Alexandra & Ainsworth Estate in Camden, helping young people and adults across South Hampstead, West Hampstead and Kilburn overcome barriers to economic and social inclusion.

We welcome applications from anyone who shares our values. We particularly encourage local residents to apply, and those who can increase representation from minority communities.

WHAT IS A TRUSTEE?

Trustees set a charity's priorities and strategy and ensure plans are delivered effectively — gaining valuable skills while contributing to a meaningful cause.

If you'd like to use your skills and local knowledge to make a real difference for local people, get in touch to find out more or apply:
